Welcome

Welcome to the ENCoRE Newsletter 1 / 2018!

You will find here information about the ENCoRE 2018 Conference which will take place on 23 May, exactly 20 years after the founding day of ENCoRE in Copenhagen. The conference will be followed by the 12th General Assembly of ENCoRE.

It will be a great pleasure to have both events at the premises of the CCR (Centro Conservazione Restauro Venaria Reale), with the hospitality of our new Member SUSCOR (Struttura Universitaria in Scienze per la Conservazione, Restauro e Valorizzazione dei Beni Culturali) in Turin. The Board expresses its sincere thanks to the hosts to be given this splendid opportunity!

Note: The CCR (Centro Conservazione Restauro Venaria Reale) is located somewhat outside the center of Turin.

See you in Turin!

SUSCOR c/o Centro Conservazione e Restauro dei Beni Culturali "La Venaria Reale"
via XX Settembre 18, 10178 Venaria Reale (Turin) - ITALY

Transportation from Turin city centre to Venaria Reale (and way back)

- The fastest connection is the "Venaria Express" shuttle bus: 30-40' from the bus stops in Piazza Castello or Porta Susa (train station) to the entrance of the Reggia di Venaria.
Timetable: http://www.gtt.to.it/cms/risorse/turismo/pdf/orario_venaria_express.pdf
- Alternative: take the connection to the airport from Porta Susa (Dora Express shuttle bus to Stazione Dora + SFMA train, runs every 30') and exit at the Venaria station. The CCR can be reached from the Venaria station with a 10' walk along Via Mensa.
- Other regular lines connect Torino and Venaria; in particular bus lines 11 and 72; we suggest to search for the best option with the "Plan a journey" function on <http://www.gtt.to.it/cms/en/> setting the destination as "Via XX Settembre 18, Venaria Reale".

Transportation from Turin airport to Venaria Reale (and way back)
