2. New ENCoRE Partners
3. Book

1- 4th ULRICH SCHIESSL PhD COLLOQUIUM– IMPORTANT UPDATE

19th -20th November 2024

Universitat Politècnica de Valencia, Spain

Posters

Considering the interest shown by some institutions, those PhD programmes with more than 3 proposals can submit the additional ones to be considered in poster format:

- Together with the 3 proposals submitted to be considered as ORAL PRESENTATIONS, a prioritised list of POSTERS must be sent by the member institutions.
- The selected posters will be displayed in the hall of the Faculty of Fine Arts.
- Poster authors are required to attend the PhD Colloquium in order for their posters to be displayed.
- No financial support will be provided to poster authors.
- Poster guidelines will be made available once the final programme has been decided.

Publication

Following the colloquium the Board of ENCoRE offers both Oral Presentations' and Posters' authors the opportunity to submit an academic paper on their PhD research to a special issue in *Conservar Patrimonio*, a Q1 indexed peer reviewed open access publication (<https://conservatrimonio.pt/metrics>).

All papers submitted (from both Oral Presentations and Posters) will undergo the standard peer review process according to the journal's guidelines (<https://conservatrimonio.pt/authors>)

The program with the detailed distribution of the different sessions and related academic activities to be held during the venue at UPV will be released by mid-September.

Poster and presentation guidelines will be made available once the final programme has been decided.

Important Dates

- Submission of abstracts: April 1st, 2024
- Acceptance/Rejection of Abstracts: May 1st, 2024
- Submission to Journal: Fall, 2024
